Parent/Guardian Notebook check:

Parents please check your child's notebook with the above table of contents. Notebooks should be up to date with notes and homework assignments all glued onto the correct page #'s. Neatness and quality of work will be graded so make sure your child is gluing neatly and trimming edges of their handouts if they don't fit.

Please visit the class website to find assignment schedules by quarter along with printable homework assignments, power point presentations, and other helpful links.
